**WELCOME TO OUR FOURTEENTH ANNUAL  
INFORMATION PLEASE DIRECTORY**

***Information Please!* is published annually with the help of HAPPENINGS MAGAZINE. Thousands of copies are distributed to the public combined with a further distribution to schools and social service organizations.**

**All agencies are listed alphabetically with their mailing and email address, phone number, hours of operation, and the services they provide. Please note that a service index listed in back of this publication enables you to link services with particular agencies. This directory is an essential tool to organize information about a variety of "helping" agencies and the services that they offer.**

**For further information, call the Community Access Line at 262-657-7188 or 800-236-7188 to speak with an Information and Referral Assistant.**

**We appreciate the contribution of the following partners in this publication:**

- **Kenosha County Department of Human Services:**
  - Division of Aging and Disability Services
  - Division of Health
  - Division of Children and Family Services
- **State of Wisconsin - Department of Justice, Office of Crime Victim Services**
- **United Way of Kenosha County**

**We trust this directory will meet its goal of improving access to community agencies.**

Sincerely,
